I look at the world and I notice it's turning
while my guitar gently weeps
with every mistake we must surely be learning
still my guitar gently weeps

instrumental

I don't know how you were diverted
you were perverted too
I don't know how you were inverted
no one alerted you

I look at you all, see the love there that's sleeping
while my guitar gently weeps
look at you all...
still my guitar gently weeps
